

SCREENING SOLUTIONS FOR COLLEGIATE ATHLETIC DEPARTMENTS

Snodgrass Partners has trusted Validity Screening Solutions to provide vetting and background checks for executive and sports recruiting candidates for more than a decade. Now, the two have created a larger partnership that extends Snodgrass Partners' Sports Recruiting and Consulting services to include Validity's industry-leading suite screening solutions.

Validity will provide a full range of services as Snodgrass Partners exclusive provider of employment, student-athlete and volunteer screening, including:

- Criminal record histories
- Sex offender registry searches
- Social media searches
- Drug testing
- NCAA infractions registry
- Screening compliance management

Snodgrass Partners excels at identifying administrative leadership and coaching talent for Division I, II, III programs. We also provide an impartial and knowledgeable consulting tailored to your specific needs including:

- Survey-driven analysis
- Feasibility studies and market research
- 360° program audits
- Personnel assessment and leadership development
- Strategic analysis and planning

Upcoming Webinar

With cautionary tales everywhere in college sports, would you – or someone you assign – benefit from an educational webinar on the subject of screening student-athletes? The webinar will cover the service offerings that Validity and Snodgrass Partners can provide. Let us know at info@validityscreening.com.
